The "plane" truth about adding international flights at Hobby Airport.

A second international airport will divide the city's international air service and hurt IAH and the Houston economy.

KEEP IAH 
STRONG

- It would mean fewer flights, lost jobs, wasteful spending and more taxes and debt 2 / 3
- It would cause Houston to compete against itself for connecting passenger traffic rather than Dallas, Atlanta and other cities with single international airports

United Airlines - The "plane" truth about adding international flights at Hobby Airport.
