The Foundation also interns students through Forward Times Publishing Company, Inc. to prepare them with practical experience in their prospective fields of study. The Foundation has partnered with local High Schools and Universities and selected our first (10) students that received \$1,000 scholarships, presented March 12, 2011.

Karen Carter Richards
CEO/Publisher

The Foundation will also intern the students through Forward Times Publishing Company to prepare them in their prospective fields of study through a practical learning experience in Journalism, Printing, Broadcasting and Digital Communications.
