Job:1:2022; 13:15

Bible Fact: God expects for His chosen people to have the best of whatever He has.

The Big Idea: Thru faith and obedience it is the will of God to give believers what they need or desire.

Faith for my deliverance is not faith in God. Faith means, whether I am visibly delivered or not, I will stick to my belief that God is love. There are some things only learned in a fiery furnace. (Oswald Chambers in Run Today's Race.)

JOB

Give God preeminence in all that you go through.

Job remembered and accepted the fact that the origin and end of all his blessings rested with God as the sole owner of all that he possessed.

Job surrendered completely to God's activities on his personal agenda with honorable respect and reverence.

Maintain your spiritual integrity even at the peak of your pain.

Do not attempt to match your understanding of your situation with the wisdom and knowledge of God.

Resist friendly advice or counsel from friends that do not comply with God's way and will.

Remember that God will never forsake you and you will go through dark spots that attempts to void your hope and faith in God.

God will show up on the back end of every God-ordained experience
