The Impact: This is the second annual event for Lasting Impressions Dental Group, and like hundreds of other Dentistry From The Heart members, this will not be their last. This sort of outreach comes with improved smiles, relief from suffering and a warm sense of gratitude that pervades. The services provided by Dentistry From The Heart not only help a patients teeth and overall health, it gives them a renewed reason to smile.

In 2001, Dentistry From The Heart started with Dr. Vincent Monticciolo who wanted to give back to the community by providing aid to the growing number of Americans without dental insurance. Dentistry From The Heart is a registered non-profit organization that provides free dental work for people in need. Since its inception, Dentistry From The Heart has grown to include over 200 annual events nationwide and has provided more than 60,000 people with an estimated \$8 million in free dental care services.
