A well-known conservative Houston talk show host has been accused by a bar employee of ramming a car outside of a gay nightclub, but police have not charged him or anyone else in the incident, [according to KPRC Local 2 News](#).

[According to the television station](#) , T.C.'s Show bouncer Tuderia Bennett said he saw KTRH talk show host Michael Berry plow into his car before driving away.

[The television station posted a Houston police department "significant event form"](#) that mentions Berry as a suspect in the hit-and-run. A Texas Department of Transportation crash report also mentions as a suspect in the crash, [according to the station](#).

Berry declined to comment KPRC on the station story. {jcomments on}
