The Hilton Americas Hotel was the venue recently as the Helping a Hero.Org , a 501(c)(3), that restores lives and builds homes for severely wounded veterans injured in Iraq and Afghanistan; celebrated and showcased the Wounded Hero Honorees.

Comedian Dennis Miller served as Master of Ceremonies and Tamar Davis sang the National Anthem. The Patriot Award Recipient, George W. Bush, the 43rd President of The United States, delivered the keynote address.

The Wounded Hero Honorees each received a home. Each adapted home helps the wounded hero's transition back into civilian life, giving them the opportunity to live as independent as possible despite their lifetime injuries.
